K-5 BEFORE- AND AFTER-SCHOOL ENRICHMENT PROGRAM

Quick Guide

We are so excited for another school year with more incredible kids! This booklet is a quick guide to our K-5 Before- and After-School Enrichment Program to help you and your child(ren) be successful during their time with us.

HELLO

and welcome!

At Boys & Girls Clubs of the Sioux Empire, *our mission* is to nurture, educate, and enrich children and youth for lifelong success. And we take pride in doing so through quality programming and mentorships during out-of-school time hours.

Our programming areas of focus include Arts & Crafts, STEM, Healthy Lifestyles, Character and Leadership Development, Recreation and Physical Education, as well as interest clubs and enhancement activities. We also prioritize the social and emotional needs of those we serve through trauma-informed practices and initiatives set forth by Boys & Girls Clubs of America and our Student Success Team. Our goal is to create a safe space for learning, play, and growth for your child(ren) while they are in our care, exposing them to new opportunities, expanding their interests and helping to find their passions! And to help create great futures, we value:

integrity, community, leadership, innovation, and inspiration

We look forward to always providing exceptional, quality care for your child(ren). This document contains important information relating to the upcoming year of care, so please read carefully. You can also reference our complete Family Handbook online at BGCSiouxEmpire.org/family-handbook.

MEET

your K-5 Director

With over seven years of dedicated service at the Boys & Girls Clubs of the Sioux Empire that started with the role of a site coordinator, Kyle's passion and commitment to youth development propelled me through various leadership roles, including manager and assistant director, ultimately leading to his current role as K-5 Director.

Before joining the Boys & Girls Clubs of the Sioux Empire, Kyle taught physical education to K-5 students and coached at both the high school and middle school levels. This extensive experience in education and coaching has equipped him with the skills and insights necessary to foster a positive and enriching environment for young learners.

Driven by a goal to continually make a meaningful impact, Kyle is dedicated to providing children with new and exciting experiences each day.

MEET *your K-5 Manager*

Harrisburg School District

Molly began working with the Boys and Girls Clubs of the Sioux Empire in February of 2021 as a Site Coordinator at Explorer Elementary. In August of 2021, she began her current role as the K-5 Harrisburg Manager. In this position she has loved getting to know all the students and their families at Adventure, Explorer, and Journey Elementary!

Before working at the Boys and Girls Clubs of the Sioux Empire, Molly worked for 9 years as a Park Interpreter with the North Dakota Parks and Recreation Department. In that role she was able to teach kids and families of all ages about the historical, cultural, and natural aspect of North Dakota's state parks. She has always had a deep love of nature, and enjoys sharing that passion with kids.

BEHAVIOR

policy

We are thrilled for another school year with your kids. We look forward to days full of learning, laughter, and fun. However, we know there may be some bumps with behaviors along the way. The Boys & Girls Clubs of the Sioux Empire's (BGCSE) discipline philosophy is based on a proactive and progressive approach. Our number one priority is always keeping your children and our staff safe, happy, and healthy while in our care. We strive to provide a program for your child(ren) that allows them to grow and flourish during the after-school hours. We know you know your child best - if your child is currently using any behavior modifications in school or at home, please feel free to share any steps that have been taken so that we can continue to support your child's needs and continue to make our K-5 program an enjoyable and enriching time. The Boys & Girls Clubs of the Sioux Empire has recently added a Student Success Team to our ever-growing family, and they have been working hard to establish guidelines, policies, and procedures to help our children that we serve when it comes to behavior management.
